REDUCING INEQUALITIES

Reduce Inequality – Your Choice.

Choose to reduce inequality in Aotearoa NZ. Fill in a "Closer Together Choice card" and drop it into any NZ Post mailbox. You don't need a stamp, it's free. Or make your Choice online at www.closetogether.org.nz. It's easy! Encourage your friends, family and communities to do the same. Just share the choice and give them a card!

MY CHOICE

My "Closer Together Whakatata Mai" choice is about choosing to build a fairer New Zealand, where the income gap between rich and poor is getting closer together... not wider apart.

Why? More equal societies – those with a narrower gap between rich and poor – are healthier, safer, more connected and more environmentally sustainable.

Therefore I choose to support reducing inequality by urging all politicians and decision makers to work towards policies that reduce income inequality and bring people closer together.
