TRANSPORT

There are shuttles that meet all flights into Dunedin Airport.

Super Shuttle charges \$120.00 for 11 people going to the same venue - If there are 5 passengers, sharing with others, then the cost would be \$70 for five.

Bookings can be made on www.supershuttle.co.nz

The best thing is to either book, or wait at the airport until there are five or more people to travel in one van.

Airport Shuttles Dunedin charges \$20 per person or if there are 5 or more \$12 each. Their website for bookings is www.airportshuttlesdunedin.co.nz
