## Speaker

**Dayle Wright** and her husband Ian are the senior pastors of the Invercargill Christian Centre and have traveled throughout New Zealand, Australia, and Asia.

Dayle shares a powerful testimony of recovery and reconciliation, and proclaims a hope and wholeness through the healing power of the Lord Jesus Christ with ministry in the prophetic, she is moved by the power of the Holy Spirit in word of knowledge, seeing healing, wholeness, salvations and the impartation of Holy Spirit power and presence. She is currently the Regional Co-ordinator of Bethel Sozo NZ, a healing movement that connects people to God

Her enthusiasm and humour communicates across the barriers of the heart, and her prophetic insight ministers deeply to the spirit.

*“She’s gorgeous inside and out. She’s gentle and humorous, wise and witty. She’s full of Godly wisdom and has experienced some things that others will identify with and others find unbelievable. She’s a wonderful example of God taking a broken life and turning it into something beautiful. She’s humble, gracious, engaging and someone I have the privilege of knowing a little bit about. I cannot recommend her enough to you for Godly teaching, prayerful intercession, a good chat over a coffee or a wander in the wilderness with a camera.”*

*~Sarah T.*
